

COMPLETE HOME SOFTENER & FILTRATION SYSTEM

Whole Home System + AW800 AlkaPro Tankless Reverse Osmosis

ASCEND PROVALVE — MODERN DESIGN

Ceramic discs for longer life and reduced maintenance.

Highly configurable with an easy-to-use program interface.

Long-term memory for program functions.

72-hour memory backup.

GRANULAR ACTIVATED COCONUT SHELL CARBON

Treats chlorine, chloramine and other contaminants.

Sustainably sourced from a renewable material.

Built for extended capacity and service life.

USA-MADE HIGH-CAPACITY SOFTENING RESIN

10% crosslinked — removes hardness and lasts longer.

Superior durability — resists chlorine and oxidation.

Delivers high-flow soft water with no pressure loss.

POLISHING GRAVEL UNDERBED

Supports the resin bed for optimal flow.

Prevents channeling; ensures even distribution.

VALVE FLOW RATE	28 GPM
SYSTEM FLOW RATE	28 GPM
BYPASS SIZE	1"
SOFTENING CAPACITY	48,000 GRAINS
RESIN VOLUME	75 lbs
CARBON VOLUME	15 lbs
MEDIA TANK SIZE D x H	15" x 52"
BRINE / SALT TANK	15" x 52" square
SHIPPING WT. SYSTEM	125 lbs
SHIPPING WT. BRINE	17 lbs

STAGE 1

5 micron polypropylene sediment pre-filter to capture suspended material.

STAGES 2-3

Two NSF carbon block filters targeting chloramine, THMs and TCE. The carbon block also prepares the water to enter the reverse osmosis element.

STAGE 4

High-rejection NSF thin film composite RO membrane, 800 GPD. Rejects a wide spectrum of impurities including total dissolved solids, heavy metals, microplastics and PFAS.

STAGE 5

In-line NSF coconut shell GAC filter removes dissolved gases, bad taste and odor from the product water.

STAGE 6

Internal alkaline remineralizer. Adds minerals back, balances pH and keeps purified water from tasting flat.

STAGE 7

Final in-line NSF coconut shell GAC polish before the water reaches your faucet.

PURE, MINERAL-RICH WATER FOR EVERY TAP IN THE HOUSE

Softer skin, cleaner dishes, better-tasting water, and protection for every appliance the water touches.
Standard installation included. No maintenance contract. Lifetime warranty on tanks, valves, housings and major components.

PROUDLY MADE IN TEXAS
